

CAUSE 2022

Applied Sustainability in Colorado

Join students from across the Commonwealth as well as World Campus in exploring a variety of novel sustainability applications in Colorado. Topics include urban and rural food production, “zero waste” policies, permaculture, solar photovoltaics, micro-hydroelectricity, anaerobic digestion, hospitality, sustainable brewing practices and more!

Travel dates: June 25th – July 2nd, 2022

Planned Itinerary:

- Denver, Boulder, Paonia, and more!

Online Information Sessions:

Thursday, Nov. 4 2021 | 9 p.m. EST

Wednesday, Nov. 10, 2018 | 8 p.m. EST

To register for the an info session and learn how to apply, contact:

Dan Kasper: djk167@psu.edu or Haley Sankey: haley@psu.edu
